## Membership Committee Interview Questions

Thank you for your interest in joining the Emeryville Yacht Club. The Club asks all new membership applicants to answer some general questions so the Board of Directors can learn a little bit about you. Please return this Questionnaire along with your Membership Application to the Emery Cove Yacht Harbor office.

What is your boating background?
What is your general background?
What do you see as your club involvement?
How were you referred to the yacht club?
Do you belong to any other yachting organizations or clubs?
**Please be aware of the 6-month probation period wherein you enjoy all privileges of membership except you may not hold office, sponsor new members, or vote in elections for Club Officers. You can refer new members but not sign the application as a sponsor.
I understand and accept the 6-month probation period.
Please email the Club ByLaws to me at
